

HOG & SHEEP PENS

Hog & Sheep Panels & Gates

BEST VALUE ON THE MARKET PER POUND

- All Hog & Sheep panels and gates are available 41" and 48" tall.
- All gates have a 7' frame.
- All components are constructed from A-513 High Tensile steel tubing with 50,000 PSI yield strength.
- All units are fabricated of 1 1/2" 14 and 16 gauge steel, with a durable, attractive, long-lasting gray powder coat finish.
- All joints are saddle cut for maximum strength.
- All units interlock with self-contained permanently attached drop pins. Gate latch also consists of self-contained drop pin.
- Available with Pre-Galvanization, or Hot-Dipped Galvanization for areas with a more corrosive environment.
- Panels and gates can be configured to fit any set up or design.
- Custom design available.
