## Bucking Chutes

5331-100-000

- America's #1 selling bucking chute.
- Super heavy duty, yet safer for animals and cowboys.
- All W-W bucking chutes come standard with rolling door safety pads.
- Rolling doors feature unbreakable Selectforce® plastic boards.
- Available with full 4' metal catwalk decking or 2' and 4' folding catwalk for portability.
- Powder coated gunmetal gray or your favorite custom color.

## Mutton Bustin' Chutes

5335-200-000

- Same design concept as the big boy bucking chutes, scaled down for our woolly friends.
- Come in sets of two.
- Gates on front & back to make loading much faster and easier.
- Easily moved by hand or can be made portable with removable wheel kit.
- Great crowd appeal and will definitely increase ticket sales!
